Blossom all year with shrubs

Top tips: To support pollinators, only use open-flowered varieties. Other shrubs can be added, particularly open-flowered garden roses

Month	Important shrubs	Super shrubs
January	Lonicera fragrantissima (Winter) Salix caprea pendula Clematis cirrhosa (Winter) Gorse (Ulex europeaus)	
February	Daphne odora aureomarginata Erica darleyensis (Winter heather)	
March	Berberis darwinii Chaenomeles japonica	
April	Ribes sanguineum	
May	Weigelia Deutzia Mont rose Rosmarinus officinalis Philadelphus delavayi
