1. Introduction and scope

The Law enshrines that children and adolescents should be protected from harm. Protecting those who are vulnerable is everyone's role and we all have a part to play in escalating concerns over others well-being when they are observed or disclosed.

Any organisation whose activities mean that staff or representatives may come into contact with children and adolescents must ensure that staff and representatives are:

- > mindful not to follow any course of action that could cause harm or abuse,
- > aware of potential signs of abuse, and
- ➤ have appropriate policies and procedures in place to ensure that risks are minimised and concerns relating to abuse of children or adolescents are escalated.

For the purposes of this policy a child or adolescent is defined as someone up to the age of 18.

Green Earth Plan CIC will take all reasonable measures to ensure that the risk of harm to children and adolescents is minimised. All staff working for Green Earth Plan CIC or acting as a registered volunteer with the intention of supporting projects that involve meeting or interacting with members of the public, including children and adolescents will undergo appropriate DBS checking.

Green Earth Plan CIC will have appropriate safeguards in place that protect and promote the welfare of children and adolescents as well as enhance the confidence of staff and volunteers in being aware of and dealing with safeguarding issues.

This policy applies to those who are working directly for Green Earth Plan CIC or indirectly as a registered Volunteer.

Green Earth Plan CIC will:

- > Treat all children and young people with respect,
- Ensure where possible there is more than one adult present during activities with children or adolescents,
- Provide an example of good conduct,
- Respect a child or young person's right to personal privacy,
- > Ensure that all staff and volunteers working with children are monitored and supervised and that they have opportunities to learn about child protection in accordance with their roles and responsibilities,
- ➤ Challenge unacceptable behaviour and report all allegations or suspicions of abuse,
- > Take all allegations seriously.

Staff and registered volunteers should be aware that Local Safeguarding Teams are multidisciplinary teams of professionals who are qualified to ensure that all allegations that are raised are investigated thoroughly and objectively. They act to ensure that the short and long term needs of a potential victim are prioritised and where appropriate any criminal sanctions are applied. Each local authority area will have a dedicated Safeguarding Team.

It is **not the role** of Green Earth Plan CIC or anyone working or acting on its behalf to investigate a concern that has been raised, our duty is to refer where there may be suspected safeguarding issues and escalate to the appropriate authority.

2. Definitions

Child or adolescent	The terms "child", "young person" or "adolescent" are interchangeable and may be used throughout this policy and refer to someone under the age of 18.				
Volunteer	A person who is affiliated to Green Earth Plan CIC and recorded as a "Volunteer" and who has provided an appropriate DBS check.				
Abuse	The harming of another individual usually by someone who is in a position of power, trust or authority over that individual. The harm may be physical, psychological, or emotional or it may be directed at exploiting the vulnerability of the victim in more subtle ways such as withholding or denying access to basic needs.				
Physical abuse	Bodily assaults resulting in injuries, for example but not limited to hitting, slapping, pushing, kicking, misuse of medication, restraint, malnutrition, dehydration, medical or healthcare maltreatment.				
Sexual abuse	Rape, incest, acts of indecency, sexual assault, sexual harassment, non-consensual sexual acts. Could also include exposure to				

	a			
	pornographic materials, being made witness to sexual acts and non-contact abuse.			
Psychological or emotional abuse	Threats of harm, controlling, intimidation, coercion, harassment, verbal abuse, enforced isolation, withdrawal from services or support networks, humiliation, bullying.			
Neglect	Ignoring medical or physical care needs, failure to provide access to appropriate health, social care or educational services, withholding the necessities of life such as medication, adequate nutrition and heating.			
Discriminatory behaviour	Behaviour directed at a person that is racist, sexist or based upon a person's disability and other forms of harassment, slurs or similar treatment.			
Radicalisation	The process by which people come to support terrorism and violent extremism and, in some cases, then join terrorist groups. The Government "Prevent" strategy is aimed at ensuring that those who may be in a position to identify those who might have been targeted for radicalisation and where their details may be referred for further investigation.			
Modern day slavery	The severe exploitation of other people for personal or commercial gain. An umbrella term for all forms of slavery, human trafficking, and exploitation. Modern slavery is a serious crime being committed across the UK in which victims are exploited for someone else's gain. It can take many forms including trafficking of people, forced labour and servitude. Victims are often hidden away, may be unable to leave their situation, or may not come forward because of fear or shame.			

3. Recognising signs of potential abuse

Abuse can be subtle and caused by various means; the presence of signs of abuse does not necessarily mean that abuse has taken place, however; it is essential that potential signs are reported and appropriately investigated by the relevant authority.

Modern slavery and radicalisation are also forms of abuse that are becoming more prevalent in our society and those who are vulnerable are often the most likely targets.

Working or volunteering for Green Earth Plan may give a limited period of time working with members of the wider community rather than prolonged and regular contact and as such, some of the possible signs may not be apparent. However; where any signs are observed it is important to share concerns so that those who are appropriately trained may investigate.

Possible signs might include:

- A history of unexplained falls or minor injuries, bruising, finger marks, burns, injuries at different stages of healing, injury shape similar to an object, history of GP or agency hopping, reluctance to seek help, weight loss, weight gain, ulcers, bed sores, drowsiness, recurring crises/hospital admissions might be an indication that abuse is taking place.
- A victim may disclose or partial disclose an incident or incidence of sexual abuse, genital infections, pregnancy, they may demonstrate difficulty walking or sitting, disturbed behaviour, depression, withdrawal from activities, lack of sleep, nightmares, self-injury, showing fear or aggression, inappropriate sexual behaviour, loss of appetite.
- ➤ A victim may demonstrate isolation, appear unwashed, over meticulous, be inappropriately dressed, withdrawn, show a change in appetite, insomnia or excessive sleep, tearfulness, unexplained paranoia, excessive fear, low self-esteem, confusion, clothing in poor condition, weight loss or weight gain, untreated injuries, poor personal hygiene.

4. What to do if abuse is reported or suspected

- React calmly, do not panic or show panic and reassure the child that they were right to tell if they are disclosing details of abuse.
- ➤ Be clear that you are unable to keep secrets if you feel that a child is being harmed in some way.
- ➤ Keep questions to a minimum and only ask in order to clarify what is being said, rather than enquiring. It is up to local Safeguarding Teams and the police to investigate the matter fully, not your organisation.
- Take what is said seriously. Make a full record of what is being said, heard or seen as soon as possible.
- > Consider if immediate medical assistance is required. Call 111 or in an emergency 999.
- ➤ Do not delay in passing information to the Local Safeguarding team who are best placed to investigate. Each County has a multi-disciplinary team who are specially trained to investigate such reports and work closely with the police to ensure appropriate action has been taken. If you suspect a crime, for example rape or theft of valuables, then you should also refer the matter to the police.
- ➤ If you are not satisfied that the matter has been dealt with appropriately within the organisation, they should refer the matter to Social Services.

The flow chart in **Appendix 1** will help you to guide you through the steps you should follow if abuse is disclosed to you or you suspect abuse has taken place.

5. Contact information

Local Safeguarding team	Use Google [or another search engine] to search for the local Safeguarding team, e.g. If the incident occurred in Dorset search <i>Dorset Safeguarding team</i> .
NSPCC Help and Advice Line	, 6 6
Person within the	Office & Mobile No
organisation	
In an emergency dial 999	

6. Training

All staff and volunteers MUST read through all Green Earth Plan CIC policies and procedures to ensure that they are aware of the risks that may apply or issues that they may face as part of their role.

Additional reference materials are available on the Green Earth Plan website that will help staff and volunteers to develop a greater awareness and knowledge of Safeguarding and our collective responsibilities to protect those who are vulnerable.

Documents listed below are very useful reference materials.

7. Supporting documentation and legislation

The key pieces of legislation are:

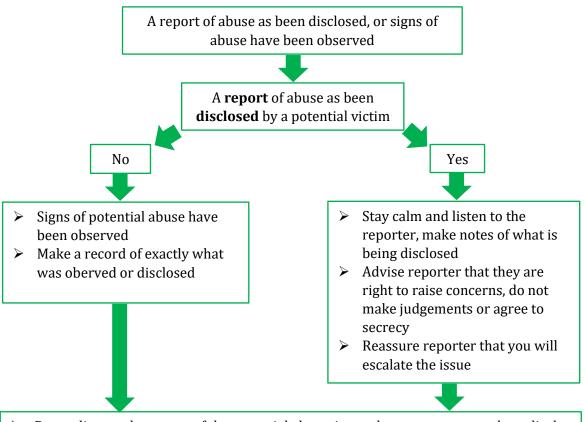

- > The Children Act 1989 (as amended)
- ➤ The Children and Social Work Act 2017
- ➤ Keeping Children Safe in Education 2019
- ➤ Working together to safeguard children; Working together to safeguard children GOV.UK (www.gov.uk)
- > Children and the law; Children and the law | NSPCC Learning
- Revised Prevent duty guidance: for England and Wales GOV.UK (www.gov.uk)
- ➤ Modern Slavery Act; https://www.legislation.gov.uk/ukpga/2015/30/contents/enacted
- ➤ Modern Slavery; https://www.gov.uk/guidance/publish-an-annual-modern-slavery-statement
- ➤ Prevent Duty Guidance; https://www.gov.uk/government/publications/prevent-duty-guidance

8. Policy Review

This policy will be reviewed on an annual basis or in the event of a change in legislation or reporting procedures.

Appendix 1 - Reporting Potential Abuse Flow chart

- Depending on the nature of the potential abuse, it may be necessary to seek medical attention
- Preserve any potential evidence of the abuse
- Do not discuss the incident with the alleged perpetrator

- At the earliest opportunity report the issue to the local Safeguarding team for the area in which the abuse has occurred
- An incident occuring in the county of Dorset would be covered by the Dorset team, a simple Google search 'Dorset safeguarding team'will take you to their website enabling you to make a report to the relevnt team adult or child/adolescent
- ➤ If you suspect a crime has occurred, for example an allegation of rape or theft, then incidents should also be reported to the Police so that they can investigate

Appendix 2 - Equality Impact Assessment and Statement

		Yes/No	Comments
1.	Does the policy/guidance affect one		
group less or more favourably than			
	another on the basis of:		
Race		No	
	Ethnic origins (including gypsies and	No	
	travellers)	INO	
	Nationality	No	
	Gender	No	
	Culture	No	
Religion or belief		No	
	Sexual orientation including lesbian,	N-	
	gay and bisexual people	No	
	Age	No	
	Disability - learning disabilities,		
	physical disability, sensory impairment	No	
	and mental health problems		
2.	Is there any evidence that some	No	
	groups are affected differently?	NO	
3.	If you have identified potential		
	discrimination, are any exceptions	No	
	valid, legal and/or justifiable?		
4.	Is the impact of the policy/guidance	No	
	likely to be negative?	INO	
5.	If so, can the impact be avoided?	N/A	
6.	What alternatives are there to		
	achieving the policy/guidance without	N/A	
	the impact?		
7.	Can we reduce the impact by taking	N/A	
	different action?
